

**Did you know . . . on Administrative Items, GFP, and Staff Rides August 6, 2012**

1...that Marina Wood has joined the PARC Policy and Compliance office and is up and running? She can be reached at [Marina.Wood4.1n@mail.mil](mailto:Marina.Wood4.1n@mail.mil).

2...that the FY11 DASA(P) Procurement Management Review (PMR) has been officially closed as of 26 July 2012? DASA(P) accepted the 409th's final disposition of pending actions, however the 409th must complete training in the following areas to be in full compliance: Synchronized Pre-deployment and Operational Tracker (SPOT), multiple award contracts (MACs), Contractor Performance Assessment Reporting System (CPARS), and contract modifications. \*\*Please note that the second on-line training for CPARS is 9 August (see Carmen Kaufmann message). More information to follow on this topic...\*\*

3...that there is a prescribed format for identifying Government Furnished Property (GFP) in contracts as of 11 April 2012 (DFARS PGI 245.201)? See attached DPAP memorandum.

4...that units must conduct threat/vulnerability security assessments of facilities and routes for Staff Rides (AE Regulation 525-13, Antiterrorism-- available at: [http://armypubs.army.mil/epubs/525\\_Series\\_Collection\\_1.html](http://armypubs.army.mil/epubs/525_Series_Collection_1.html))? And, that USAREUR has pre-assessed the following facilities?
